MANAGING YOUR TICKETS

To manage your tickets, click the "Tickets" tile on the top left. On this page, it will list all of your events. ***Please note that Ticketmaster no longer allows for PDF tickets to be printed. You will need to use your mobile phone to enter the game***

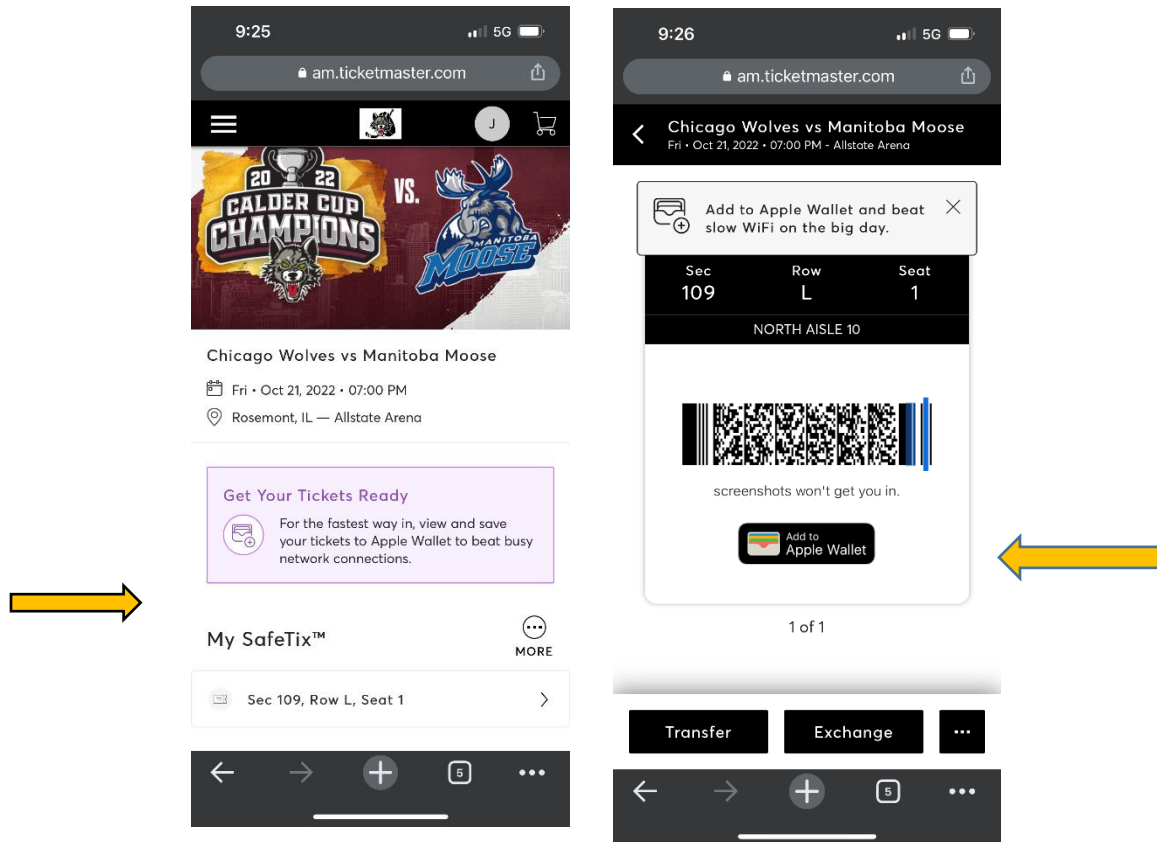

Click on the desired game. If you are on a desktop computer, you will have the options to view, send, or exchange your tickets. If you are on a mobile device, you will have the options to view barcode, send or exchange tickets.

If you are on mobile, this is what you will see.

To use your mobile phone to enter the arena, select the game you are attending. Once on that game, click the seat and your SafeTix barcode will appear. If you have multiple seats, you can swipe right or left once you are in the barcode to get all your barcodes. Please note you CANNOT screenshot a ticket and send it to someone else.

You can also save your ticket to your "wallet" to avoid any trouble of wifi signals at the arena. Simply click the "Save to Phone" button and it will save directly into the Google Pay app or Apple Wallet on your phone. Below is what Google Pay looks like:
