Purchase your flex pack by 9/15/23 and get 2 vouchers for tickets of equal value (per flex pack purchased) to be used during the 23-24 regular season.

Select the number of Flex Packs you would like to purchase and at what price level. Your order will populate at the top right of your screen. Once you are ready to check out, click “Add to Cart.”

A screen will then pop up to show you seat options. Because they are undated vouchers, they are all GA events. Select any of the options.

You will now be directed to your cart. Select delivery method as “ADD ON ACCT.” Once you have selected your delivery method, click on the “CONTINUE” button in the bottom right.

PLEASE NOTE: Your ticket representative will be in touch with you after your transaction to discuss how you would like to redeem your Flex vouchers this season.

The screenshot shows the "Complete the checkout steps and submit your payment" section. It lists two steps: "1 Delivery & Shipping" and "2 Payments". Under "1 Delivery & Shipping", there is a dropdown menu with "Add on Acct (Free)" selected. A "Continue" button is located to the right of the dropdown. The "2 Payments" step is currently inactive.

Enter your payment information and click “Continue.”

Confirm your order, read and then check the box to agree to terms of use, and finally, click “SUBMIT ORDER!” Your order and payment will be processed and you will receive a call from your ticket representative about your flex redemption options for the season.
